

Denti-Cal

California Medi-Cal Dental Program

April 2006

Dear Doctor:

We are pleased to provide you with the Dent-Cal Provider Manual.

The purpose of this manual is to give dental care professionals and their staff a concise explanation of billing instructions and procedures under the California Medi-Cal Dental Program. The manual is designed to assist you in your continued participation in the California Medi-Cal Dental Program.

We trust you will find this manual useful and that it will be maintained as a working document. Please do not hesitate to call upon Denti-Cal for further assistance.

Sincerely,

Jerry D. Stanger, Chief
Payments Systems Division
Department of Health Services
